

Legal & Professional Logistics by AXIS

END-TO-END SINGLE SOURCE SOLUTIONS

Axis Global Logistics provides comprehensive, seamlessly integrated, and fully customized logistics support to the legal industry. We understand how high the stakes are, especially with complex litigation, and we respond with absolute precision, accountability, and accessibility 24/7/365. A dedicated client representative personally oversees every aspect of each engagement, from scheduling pinpoint pickups and deliveries worldwide to setting up fully operational “war rooms” in even the remotest locations. When litigation is wrapped up, our team ensures that every file is packed up, inventoried, picked up, and securely shipped to its intended destination or recipient. In addition to personalized assistance from an Axis representative, clients enjoy full visibility and control via industry-leading web-based technology.
